Required inspections to be performed by the City of Canton Building Department:

- | | |
|--------------------------|---|
| (1) Excavation | (5) Building Rough-In |
| (2) Footing | (6) Insulation (Building Thermal Envelope) |
| (3) Foundation | (7) Mechanical Finals (Electric, Plumbing & HVAC) |
| (4) Mechanical Rough-Ins | (8) Building Final |

It shall be the responsibility of the owner/applicant to schedule the above inspections, and to provide access for the City of Canton Building Department personnel, during normal business hours.

Upon proper notification, the City of Canton Building Department agrees to perform the above inspections within two (2) business days.

After completion of project, and all inspections have been approved, the City of Canton Building Department will issue a Certificate of Occupancy.

I hereby do certify that all required information and details are true and correct, and have been included with the plans submitted. Furthermore, I agree to schedule all the required inspections with the City of Canton Building Department, before concealment of any construction.
